ADD RECORD CANCEL
Mark As Complete (No Log)
This will mark the book as completed without creating a reading log.
MARK AS COMPLETE

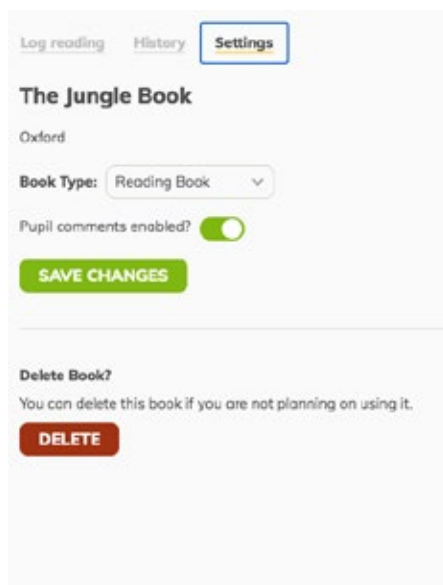

And choose Log Reading. This will pull up the reading log page. Please note - the minimum needed for a log is page numbers. The other boxes can be used at the schools' discretion.

Click on a child to see their detailed reading log:

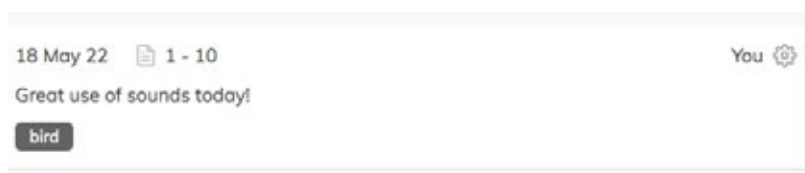

From here you see **active books** (tap this button to see **completed books**) and see the **activity feed** for the pupil. You can also see **data** about each pupil and any **recent problem words** from logs. Click **View all** to see all previous problem words.

Click on a book to get detailed information about it including its **history** and **settings**:

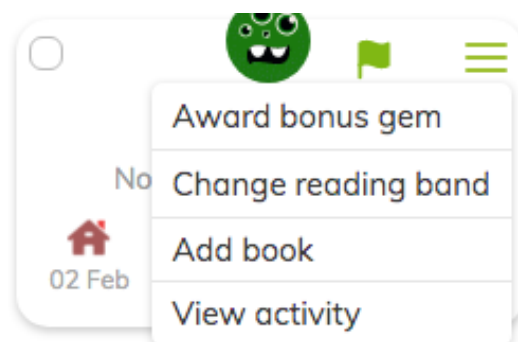

You can edit any comments by clicking History, selecting the comment and then the **settings cog**.

To Add a book:

NOTE: pupils and parents can also add books to BoomReader. If your school policy is to hand out a reading book and ask parents/pupils to log it- they can do so on the app.

If the child has no current reading book:

Or click on the child's name and then +book:
